Voice vote: YES (unanimous). Motion carried.

Minutes **APPROVED**.

OLD BUSINESS

NEW BUSINESS

1. COA #25-0294: a request by Jason Jacob for Frisco Properties for a Certificate of Appropriateness for proposed painting of exterior façade and rear alley at 222 S 1st Street.

Moore presented the staff report. Staff recommended approval of the proposed color update for the front and alley façade.

Lawson asked if the applicant wished to speak on the item. The applicant did not have anything else to add

Lawson asked if there was anyone from the public that wished to speak. No public comments were made.

Cisneros wanted to know why the color was chosen off the approved color list when it was similar to that of ones found on the approved list. Staff stated that the exact color is not always available in the material that is used on exterior finishes. Carney agreed and said that the stucco is hard to find exact matches of colors.

Motion by Carney to approve the façade color, second by Herrera.

Lawson asked for a vote:
Yes: Carney, Cisneros, Lawson, Herrera
Motion carried.

Summary Continued

Architectural Background

- Non-Historic Building
- This building is less than 50 years old
- Non-Historic buildings should follow the same guidelines as historic buildings.

Staff: Christina Moore, Planner I (cmoore@rogersar.gov)

Paint Colors

Compatibility with Design Guidelines

- 6.9 (Color):
 - A) "Use appropriate colors to create a coordinated color scheme for the building. The façade should "read" as a single composition."
 - E) "Using the historic color scheme of a building is preferred when evidence exists."
 - F) "Paint charts of appropriate colors are available at the Department of Community Development or Main Street Rogers office."
- The main color "Peppercorn" is not on the commissioner approved color list, but it is similar to other colors found on the paint chart.
- The current building color is lighter than the chosen Peppercorn color.

COA: Jason Jacob

Summary

- The proposal is to paint a non-historic building with a color that is similar to options found on the approved color chart.

APPLICATION SUBMISSION

Certificates of Appropriateness are effective immediately upon issuance. Work approved must begin within twelve (12) months of approval. If the Certificate of Appropriateness expires, your project must be resubmitted for approval. Any work done outside the scope of the Certificate of Appropriateness renders it null and void.

ANY WORK APPROVED BY THE HISTORIC DISTRICT COMMISSION IS SUBJECT TO ADDITIONAL CITY PERMITS SUCH AS SIGN AND BUILDING PERMITS.

I hereby certify I am the owner, agent of the owner, or other person in control of the property and that the information given herein, and as shown on the application and Certificate of Appropriateness, is true and that I am authorized to obtain this Certificate of Appropriateness. I understand that if the construction and/or installation for which this Certificate of Appropriateness is issued is contrary to the requirements of city codes or regulations, violations must be corrected. Approval by the Historic District Commission does not excuse the applicant, owner, or agent from compliance with any other applicable codes, ordinances, or policies of the City of Rogers.

APPENDIX A: CATEGORY INFORMATION

CATEGORY I: Ordinary Maintenance

This category is constituted by exterior repairs with *no* change in design, color, material, or appearance. Includes repainting structure same color(s) and/or minor repairs with no additions or removals, such as replacing rotted porch flooring, replacing rotting or damaged exterior surface and/or trim, replacing rusted screening or surface-mounted gutters, replacement roofing of same type and color, or essentially similar work.

Public notice is *not* required for this category.

CATEGORY II: Exterior Changes Not Affecting Surrounding Property

This category includes repainting structures in original or authentic (correct for time period of original construction) color(s) and/or restoring to original design or appearance, including minor removals (such as removing porches or enclosures not part of the original structure), additions (such as reconstruction of original porches, railings, or ornamental trim), or essentially similar work not materially affecting surrounding property owners (changing character of neighborhood). This category includes signage.

Public notice is required for this category.

CATEGORY III: Exterior Changes Affecting Surrounding Property

This category includes construction of new additions which previously never existed, building new or demolishing outbuildings, removing original portion or detailing from a building (such as doors, windows, or ornamental trim that was part of the original structure), demolishing a building over 50 years old, or essentially similar work which materially affects surrounding property owners.

Public notice is required for this category.

APPENDIX B: REQUIRED SUPPLEMENTS

The Historic District Commission and Department of Community Development staff may require the following supplements based on applicability to proposed scope of work:

- An accurate color rendering, photograph, or drawing of each elevation on which changes are proposed, that shows existing appearances and proposed changes;
- A description of the materials to be used and an overall scheme, including without limitation, foundation, walls, trim, windows, doors, any other exterior surface or detail;
- Relevant material samples;
- A color sample of any and all proposed paints to be used on the exterior;
- If the proposed work involves a new construction or a change in footprint, a general site plan including the necessary details as specified by the Department of Community Development or a surveyed property boundary drawing; or
- If the proposed work involves demolition, a structural report from a licensed engineer or architect, an Environmental Assessment report, or multiple contractor estimates for cost of rehabilitation and demolition.
